Being The Boss 3 Imperatives

In order to help you become an effective manager, the authors designed a framework around 3 imperatives: manage yourself, manage your network and manage your team. Managing yourself deals with the changes required in how you think about yourself and your new role, how to relate to others as a boss and how to influence others. Managing your network deals with how you create your own network and deal effectively with the political side of organizational life. Managing your team is about ...

The manager's "3 imperatives" referred to in the title of the book are: manage yourself, manage your network, and manage your team. The bulk of the book is taken up describing ways in which these imperatives can be achieved. The authors help to make their theoretical advice concrete by using part of a fictional case study at the start of each chapter, illustrating a range of problems encountered by a technically competent individual who has recently been promoted to a managerial position.
