Their best hope lies with Cress, who has been trapped on a satellite since childhood with only her netscreens as company. All that screen time has made Cress an excellent hacker - unfortunately, she's being forced to work for Queen Levana, and she's just received orders to track down Cinder and her handsome accomplice. First published in 2014 with this cover. When a daring rescue goes ...

Chroniques lunaires - Tome 3 - Cress - Marissa Meyer ...

Stunning, heartbreaking, thrilling are just a few words to describe Cress. And it's not enough. This was such a good read, I had to put this book down a few times and just breath. Out of fear (oh Marissa Meyer knows how to build up suspense) and relief (well at least she loves her characters enough not to kill them off one after another).

Cress (The Lunar Chronicles, #3) by Marissa Meyer

Marissa Meyer continues her brilliant bending of classic fairytales in her Lunar Chronicles with this riff on Rapunzel. Cress lives imprisoned in a satellite, rather than in a tower. She is a shell-with none of the powers of most Lunars-but is also a skilled hacker and tech wiz.

Cress (novel) - Wikipedia

Marissa Meyer est la déesse de l'écriture, le maître d'orchestre de sa trame, le gourou que je vénère. Elle agit sa baguette et nous entraîne exactement là où elle l'a souhaité. Chaque tome est ciblé sur le vécu d'une « princesse » en particulier, et chaque fois, l'auteur parvient à nous faire découvrir des profils aux antipodes les uns des autres. Le plus fort, c ...

Cress's own mission, however, is to find a way to get to Earth and save Cinder from Queen Levana. Cress is girlier than the Cinder and Scarlet, loves singing and acting, and also has a talent for hacking. She's dreamy and a bit naive, but I felt like this suited her personality. The author succeeds at folding Cress seamlessly into the existing ...
