Another style of DSC keypad we carry are the LED readout keypads. These feature LED lights to designate which zones may be open or in fault. These include the DSC PK5508 and the DSC PK5516. The PK5508 has 8 LED lights for zones 1-8 and the PK5516 has 16 LED lights for zones 1-16. Both of these keypads make good secondary keypads but should not be relied upon to use to program your DSC alarm ...

My DSC Home Alarm is Beeping! Causes and Solutions. If your DSC home alarm is beeping every 10 seconds or so, there could be many possible causes. In most cases, it's because the alarm panel has detected one or more "trouble" conditions. These include things like low battery trouble, phone line failure, and communication problems, among many others.

If you were to addiction such a
