

The Life of Julius Caesar
 Directions: Julius Caesar was a Roman military leader and politician who expanded the Republic, but later helped lead to its end. Drag and drop the events from Caesar's life to point at the correct year on the timeline. Then explain the significance of each in the box.

Timeline of Early Rome
 Directions: After learning about the important events of early Rome and the Republic, complete the timeline below by dragging and dropping the listed events into the correct order along the timeline. Add the year in the blue box next to each event.

Includes pages with simple "drag and drop" activities!

INTERACTIVE STUDENT NOTEBOOK The First Americans Describe the shelter you would build, the clothing you would make to protect yourself from the elements, and the tools you would create to acquire food. Carefully examine the photograph of a Canadian forest. Imagine that you suddenly find yourself in this environment. Brush and a thick forest of fir and pine trees surround the mountain valley ...

INTERACTIVE STUDENT NOTEBOOK The First Americans

The short answer is that interactive notebooks are a fun and engaging way to get students interested in the content they are learning about. Interactive notebooks allow for the information being discussed to be compartmentalized into chunks of information. I have found when information is broken down into smaller bits that students retain the information at a much higher level. When you throw in an interactive element into the graphic organizer the retention is that much more effective.
