

2.3 I.2.2 The motion of the Earth

HH
K-H
ch.5
Earth's motion relative to the fixed stars is an example of rigid body rotation combined with translation.

(i) Rotation of a rigid body:

The angular velocity vector $\vec{\omega}$ is aligned with the rotation axis.
 $\omega = |\vec{\omega}|$ - rotation rate (in sec^{-1})

For a given infinitesimal mass element P a linear velocity \vec{v} can be calculated:

$\vec{v} = \vec{\omega} \times \vec{r}$ \vec{r} is the position vector of P

The direction is obviously correct (cross product \rightarrow right-hand rule)

For the magnitude: we have also $v = \omega \rho$! and $v = \omega \rho$, since $\vec{\omega}$ and $\vec{\rho}$ are at right angles.

However, $\rho = r \sin(\angle \vec{\omega}, \vec{r})$, and thus $v = \omega r \sin \theta$

Therefore, $\vec{v} = \vec{\omega} \times \vec{\rho} = \vec{\omega} \times \vec{r}$.

The linear acceleration \vec{a} at point P:

$\vec{a} = \vec{\omega} \times (\vec{\omega} \times \vec{r}) = -\omega^2 \vec{\rho}$ points towards the rotation axis!

Proof: $\vec{a} = \frac{d\vec{v}}{dt} = \frac{d}{dt}(\vec{\omega} \times \vec{r}) = \vec{\omega} \times \frac{d\vec{r}}{dt} = \vec{\omega} \times \vec{v}$
 $= \vec{\omega} \times (\vec{\omega} \times \vec{r}) \quad \dot{\vec{\omega}} = 0 = \vec{\omega} \times (\vec{\omega} \times \vec{r})$

Alternative: (k-H Ex. 1.2) circular motion: $= -\omega^2 \vec{\rho}$ (geometry)

$\vec{r}(t) = r \cos \omega t \hat{i} + r \sin \omega t \hat{j}$
 $\vec{v}(t) = -\omega r \sin \omega t \hat{i} + \omega r \cos \omega t \hat{j}$
 $\vec{a}(t) = -\omega^2 r \cos \omega t \hat{i} - \omega^2 r \sin \omega t \hat{j} = -\omega^2 \vec{r}(t)$

Earth's motion: Example 5.2 (assigned problem)

[MOBI] Introduction To Classical Mechanics Atam P Arya Solutions Free-Ebooks.net is a platform for independent authors who want to avoid the traditional publishing route. You won't find Dickens and Wilde in its archives; instead, there's a huge array of new fiction, non-fiction, and even audiobooks at your fingertips, in every genre you could wish for. There are many similar sites ...

[MOBI] Introduction To Classical

Featuring state-of-the-art computer based technology throughout, this comprehensive book on classical mechanics bridges the gap between introductory physics and quantum mechanics, statistical mechanics and optics—giving readers a strong basis for their work in applied and pure sciences. Introduces Mathcad, using it in to do mathematical calculations, solve problems, make plots and graphs, and generally provide more in-depth coverage and a better understanding of physics.

This is also one of the factors in getting the software documents from this [Introduction To Classical Mechanics Atam P Arya Solutions](#) online. You might not need more grow old to spend to go to the books introduction as competently as research for them. In some cases you achieve not uncover the revelation Introduction To Classical Mechanics Atam P Arya Solutions you are looking for. It will be enormously wasting time.

However below, keeping in mind you visit this web page, it will be taking into account this fully simple to acquire as skillfully by downloading lead Introduction To Classical Mechanics Atam P Arya Solutions

He will not to support many era as we say before. You can finish this during play a role something else at house and even at your workplace. therefore easily! So, are you question? Just exercise what we pay below like no difficulty like review **Introduction To Classical Mechanics Atam P Arya Solutions** what you similar to read!
