Lehninger Principles Of Biochemistry David

This book is an ultimate reference copy for biochemistry, which has greatly evolved over time since its first edition in the year 1985 by the legendary bio-chemist himself Dr. Albert Lehninger. If you are a bio-engineer, bio-scientist, research student, practising pharmacologist or in any way related to the life science or pharmaceutical industry, then you have definitely come across biochemistry and this book has more than everything you need to know about the subject and the new ...
