The New Traditional Woodworker : From Tool Set to Skill ...

The class is based on this book The New Traditional Woodworker. It was amazing. Techniques are presented showing how to tune, sharpen & use hand tools as they were operated in the preindustrial era. Skills are taught and then developed by the making of tools, jigs, fixtures and other projects. The book is well researched and presented. Directions are easy to follow. Develop a new mind set. Learn how to work wood, not machine it. I highly recommend this book. In fact I now have some machines ...
