Parallel Computing: Bhujade, M.R.: 9788122423877: Amazon ...

Parallel and distributed computing has offered the opportunity of solving a wide range of computationally intensive problems by increasing the computing power of sequential computers. Although important improvements have been achieved in this field in the last 30 years, there are still many unresolved issues. These issues arise from several broad areas, such as the design of parallel systems ...

Parallel and distributed computing ebook free download pdf

Moreshwar R Bhujade, Ph.D., is a professor in the Department of Computer Science and Engineering, Indian Institute of Technology, Mumbai, India. He has published a number of articles on various topics in computer architecture, fault diagnosis, programming languages, software testing, distributed file systems, high performance computing and computational geometry. Dr. Bhujade is a member of the Editorial Board of International Journal of High Performance Systems Architecture.
