Over the past few years, more and more stakeholders have asked us for content on agile — and more are using agile practices, which is confirmed by our *Pulse of the Profession®* research. That's why we included information on agile practices will be included alongside traditional approaches in the Sixth edition and partnered with Agile Alliance® to create the new *Agile Practice Guide®*.

The *PMBOK® Guide – Sixth Edition* and *Agile Practice Guide* were created to complement each other. Together these two publications are a powerful tool that enable the right approach for the right project.

When you order the *PMBOK® Guide – Sixth Edition* (in English) you will receive a complimentary copy of the *Agile Practice Guide*.

This dynamic duo presents solutions for project delivery professionals working in the entire spectrum of approaches — from predictive (or waterfall) to cutting edge agile methodologies.
