Psychology For Dummies Cheat Sheet. By Adam Cash . The main question that fuels psychology is “Why do people do what they do?” Psychology basically attempts to uncover what people do along with why and how they do it. Studying everyday behavior and mental processes are the focus of psychology much of the time. But sometimes the stresses of life can seem overwhelming, and in those cases ...

Psychology For Dummies, 3rd Edition | Wiley

I really loved reading this book called Psychology For Dummies. It was a long book with lots of information about psychology, the different kinds of therapies, and some things about disabilities like ADHD, Autism, Alzheimer's and some other things that were in there too. I learned a lot by reading this book.
