Wright's international perspective marks a truly original contribution, and his broad synthesis brings together material that was formerly scattered in more specialized studies.--Hispanic American Historical Review

State Terrorism in Latin America: Chile, Argentina, and ...

Terrorist violence in Latin America during this period was driven by the campaigns of a number of secular Marxist/Maoist organizations, most notably the Shining Path in Peru, the Farabundo Martí National Liberation Front (FMLN) in El Salvador, and the Revolutionary Armed Forces of Colombia (FARC). Violence dramatically subsided in the mid-1990s, after a number of governments waged successful—and often quite violent—counter-terrorism campaigns. (On a side note, the graphic also shows the ...

Terrorism in Latin America: Infographic - War on the Rocks

According to this view, contemporary Latin American states have practiced different forms of terror, including torture and physical punishment, not in a primitive or "traditional" manner, but in a politically rational, calculated, modern fashion.¹ The use of terror by modern Latin American states in a Weberian, bureaucratized manner

therefore is not a remnant of a past colonial experience. As Rejali (1994) observes, state-sponsored terror is part of a modern political system based on the ...

State terror in the U.S.-Latin American interstate regime ...

Such governments, as the authors of a book about Latin American state terrorism have noted, can virtually paralyze a society through violence and its threat: "In such contexts, fear is a paramount feature of social action; it is characterized by the inability of social actors [people] to predict the consequences of their behavior because public authority is arbitrarily and brutally exercised ...
