

Part II

Refer to the drawing below to answer the following questions.

1. What is the name of the product to be made?

2. Name the drawing or print number.

3. List the number of parts in the assembly.

4. What material is specified to make the product?

5. What type of weld rod is specified?

6. Name the size and type of the weld specified.

7. On the drawing below, make a sketch of the required weld.

8. The size of the mounting plate is _____" x _____" x _____".
9. The width and thickness dimensions of the material required to make the curved section are _____" and _____".
10. The centerline of the curved section is located _____" from the lower end of the mounting plate on the drawing and _____" in from the side.
11. What are the number and size of holes to be made in the mounting plate?
A. _____
B. _____
12. What additional operation must be performed on the drilled holes?

13. After welding and machining, what finishing operations are specified?
A. _____
B. _____
