Instead, I created this fun hands-on activity, a World Atlas Scavenger Hunt, as an easy way to help my older kids learn information about places around the world and become familiar with the format of an atlas. It contains 26 clues, from A - Z, all related to world geography. Have your kids read the clues and search their atlas for the location. Each one starts with a different letter of the alphabet. Once they know the answer, have them write it in the box next to its first letter. Don ...
